Notes

DON'T LEAVE HOME WITHOUT...

Preparing to Travel

- [ ] *Comfortable park shoes*
  It's common to walk over 15,000 steps a day!

- [ ] *Personal and emergency items*
  Bandages, lip balm, pain reliever, insurance cards, prescriptions, IDs, wipes, hand sanitizer, and aloe or cooling gel. Large zip top bags are always handy! First Aid and Baby Care Centers are located in all four parks.

- [ ] *Weather appropriate clothing*
  March to October: generally hot, think shorts and tees
  November and February: warm with cooler mornings and evenings
  December and January: can be mild but get really chilly, so bring layers!

- [ ] *Tech items*
  A must have: backup phone chargers!

- [ ] *Swimsuits!*
  Pools are heated to 82 degrees year round. Towels and life jackets are provided. Bring swim diapers if needed.

- [ ] *Stroller*
  If bringing your own, consider a name tag. Strollers must be folded to board Disney buses and boats, and doubles must be folded for the Skyliner. Wagons are not permitted.

- [ ] *Sun, heat, and rain protection*
  Sunscreen, hats, sunglasses, cooling towels, neck fans, and umbrellas or ponchos. Rain showers are common!

- [ ] *Park bag*
  Backpacks and bags are allowed on most attractions. Consider a separate, smaller bag for valuables on rides.

Park rules and prohibited items
Before you pack, take a quick look at what is and isn't allowed in the parks.

View the park rules and prohibited items list

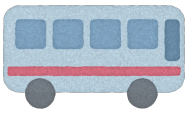

THE ONE THING WE CAN'T PLAN?

The weather!

The best memories are often the moments you didn't plan. A rainy day at Disney is better than a rainy day at home! Try not to overthink packing. Bring what you will truly use, and if you forget something, Disney knows what people need. You will likely find it at the parks or your resort.

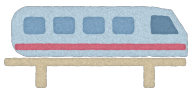

A SPOONFUL OF IMPORTANT INFO

Getting Around Onsite

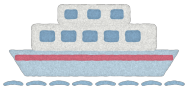

Buses

From select resorts to all parks and Disney Springs, plus park to park for park hopping.

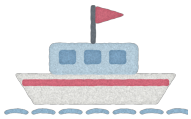

Monorail

Magic Kingdom to the Polynesian, Contemporary, and Grand Floridian, plus EPCOT.

Ferry

Magic Kingdom to the Transportation and Ticket Center.

Friendship Boats

Magic Kingdom to the monorail resorts, Fort Wilderness, and Wilderness Lodge. Boats also run from EPCOT and Hollywood Studios to the BoardWalk, Yacht and Beach Club, and Swan and Dolphin.

Skyliner

Hollywood Studios and EPCOT to Pop Century, Art of Animation, Riviera, and Caribbean Beach.

Minnie Vans

Booked through the Lyft app, driven by cast members, with car seats. Drop off is where resort buses drop off.

Uber and Lyft

Readily available and affordable! Magic Kingdom drop off is at the Transportation and Ticket Center, then take the monorail or ferry to the park gate.

GOOD TO KNOW

Allow up to an hour

Transportation runs about 1 hour before park opening and 1 hour after park closing. Always allow up to an hour for travel on property.

PERFECT PLANNING MEANS USING

Preferred Vendors

Stroller and Scooter Rentals

We love these companies that conveniently deliver and pick up right at your resort. They offer a variety of strollers and scooters. We highly recommend purchasing the insurance in case of a damaged or lost item.

Kingdom Strollers

You must meet them in the designated location. Rentals include a complimentary parent console, small cooler, and rain cover.

kingdomstrollers.com | (407) 271 5301

Orlando Stroller Rentals

Stroller delivery to your resort.

orlandostrollerrentals.com | (800) 281 0884

Buena Vista Scooters

You must meet them in the designated location.

buenavistascooters.com | (407) 331 9147

Grocery Delivery

Guests are welcome to have groceries delivered to the resort. Bell services can hold items if you can't meet the delivery person, but there is a $6 handling fee for deliveries left with bell services. To avoid it, schedule a time you can meet the delivery in the lobby.

Orlando Grocery Express

orlandogroceryexpress.com | (407) 952 9373

Garden Grocer

gardengrocer.com | (866) 855 4350

You can also use Amazon, Instacart, and similar services.

Transportation To and From the Airport

Uber and Lyft

XL options usually seat up to 5 passengers. They are readily available without long waits, though busier seasons like holidays may take a bit longer. We highly recommend scheduling your airport return pickup ahead of time. Something to consider: not all have car seats, so if you are traveling with little ones, a shared shuttle or private transfer may be a better fit.

Mears Connect

ORLANDO INTERNATIONAL AIRPORT (MCO) ONLY

Mears Connect does not serve Orlando Sanford Airport (SFB), a different airport about 30 miles farther from Walt Disney World. Double check which airport you are flying into! Shuttle service with two options. **Standard:** you share with other guests and may stop at multiple resorts. **Express:** no additional resort stops, though other guests may be on board.

mearstransportation.com

Mears Global

Serves the greater Orlando area along with Sanford. Car seats available on request, and a grocery stop can be built in.

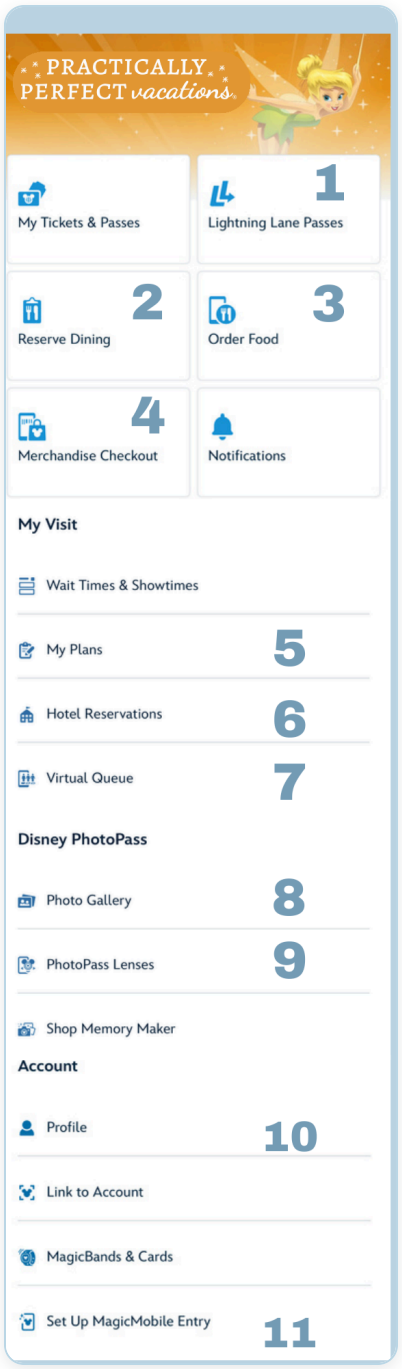

Cedar Trans Orlando

A private transportation option that takes your travel party directly to the resort and back to the airport. Vehicles range from sedans to large vans and even limos, and pricing varies by vehicle and distance. They serve Orlando, Sanford, Fort Lauderdale, Miami, and more! A 20 minute grocery stop at Publix Lake Cay Commons is available (curbside order highly recommended), and two car seats are included with each ride. To book, you will need your airline, flight number, and arrival and departure times.

Helpful Shortcuts

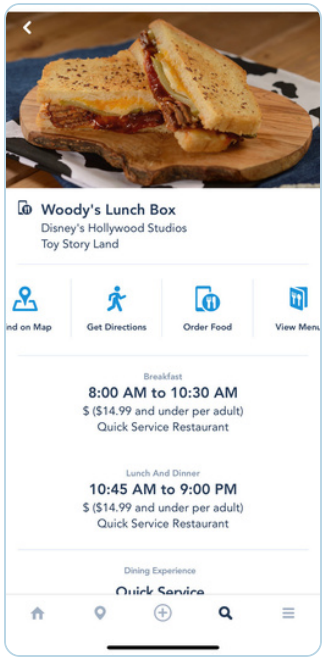

Location Icon

See wait times, locate characters, PhotoPass photographers, restrooms, and more! Filter by park or resort, browse by category, switch to list view, and tap icons for info and directions.

Plus Icon

Shortcut central! Check dining availability, mobile order food, use merchandise mobile checkout, and jump to Tip Board and My Plans.

Search Icon

Our Favorite App Tip

We love viewing the Location icon as a Show List option! The one exception is restrooms: use Map view, since it pings where you are and shows the closest one.

Play with the app before you travel!

The more comfortable you are with it at home, the more magic you will have in the parks.

COMPARE THE

Disney Dining Plans

Disney Dining Plans are prepaid meal packages available to guests staying at a Walt Disney World Resort hotel. Every guest on the package has the same plan, and credits are based on the number of nights in your package.

2026 plan names: Disney Quick Service Dining Plan and Disney Dining Plan. The Deluxe Table Service Dining Plan is offered for 2027 stays.

How credits work

Credits are not assigned to a day. Think of them as a bucket you pull from anytime, from the moment you arrive until 11:59 PM on checkout day!

Example

On a 6 night stay with the Table Service Dining Plan, each guest receives 6 table service meals, 6 quick service meals, and 6 snacks or nonalcoholic beverages.

MAKING THE MOST OF IT

Using Your Dining Plan

Look for this symbol!

The Disney Dining Plan symbol on menus and price tags marks items you can get with a **snack credit**.

Snacks

At quick service restaurants, most outdoor carts, and select merchandise locations, a snack may include:

- Frozen ice cream novelty, popsicle, or fruit bar
- 2 scoops of hand scooped ice cream
- Single serving popcorn box (not a souvenir bucket)
- Piece of whole fruit
- Single serve bag of snacks
- 20 ounce bottled or fountain soda, including Dasani water

What's Included in a Meal

Quick service: 1 entrée and 1 nonalcoholic beverage (or alcoholic beverage, 21+).

Table service breakfast: 1 entrée or 1 buffet or family style meal, plus 1 beverage.

Table service brunch, lunch, or dinner: 1 entrée or 1 buffet or family style meal, 1 dessert, and 1 beverage.

Important Info

- Guests 21+ with valid ID may choose an alcoholic beverage
- Guests ages 3 to 9 must order from the children's menu where available
- Meals are nontransferable between party members
- Unused meals and snacks roll over day to day until depleted
- Gratuities are not included
- Select character and fine signature dining require TWO meal credits
- Unused meals, snacks, and refillable mug use expire at midnight on checkout day

Resort Refillable Mug

Use your mug at the self service beverage stations at your resort's quick service locations.

Tracking Your Credits

Your dining plan is linked to your reservation. Check your remaining credits in the app under My Resort, then Check Dining Plan. Remaining credits also print on your dining receipts, and your resort concierge or Guest Relations can help anytime.

PERFECT PLANNING MEANS PREPARING FOR

Dining Day

What You Need to Know

- Onsite guests can make dining reservations starting 60 days before check in, for up to 10 days of their stay. Offsite guests reserve 60 days ahead of each dining day.
- This is just the start! If a location isn't available at 60 days, you might snag it closer to travel. Popular spots fill quickly, so have a Plan A and Plan B. Not sure which spots are popular? Ask me!
- Reserve through the app or at mydisneyexperience.com.
- Most reservations can be cancelled up to 2 hours prior. Not sure you want to dine? Book it and cancel once you decide. It is much harder to get later!

Before Dining Day

- ○ Scope out menus and pricing by searching restaurants in the app
- ○ Talk with me about the best way to arrange your dining
- ○ Fill out your priority list below. Don't go in order of your stay! Start with the most popular spots and your must dos.
- ○ Store your credit card under Payment Info in your account (required to hold dining)
- ○ Cinderella's Royal Table, Hoop Dee Doo Musical Revue, and some Enchanting Extras require prepayment

Parties of 5 or More

It's common for larger parties to need smaller groups, which must be done on the website. After confirming one reservation, search for another as close to the same time as possible (we try to stay within 15 minutes).

Important

You will need more than one adult account to do this. For example, splitting into 3 groups requires 3 adult logins. In most cases you will still sit together, but it is not guaranteed.

Dining Day Timing

Online: opens at 6 AM Eastern (5 AM Central). For the best selection, be up and ready!

Phone: opens at 7 AM Eastern (6 AM Central), (407) 939 3463. Always try online first!

Where to Book

Website: search the restaurant name, or go to Things to Do, then Make Reservations.

App: simply search the restaurant name.

Make your plan for a successful dining day!

Once you are in the park, you can choose Lightning Lanes for the park you are hopping to!

As soon as you use your first Multi Pass Lightning Lane of the day, you can select another, from either Group 1 or Group 2.

MORE TO EXPLORE

Magic Outside the Parks

Find Happily Whatever You're After at Disney Springs

Shop, dine, and play! A few things we love:

- Disney Dreams That Soar, a nightly drone show (seasonal, check dates)
- World of Disney and the Co Op Marketplace
- Disney's Days of Christmas shop
- Watch or ride an Amphicar at The BOATHOUSE
- See the big LEGO sculptures and build your own minifigure
- Gideon's Bakehouse (join the virtual queue when available)
- Swirls on the Water: specialty Dole Whips
- Custom M&M'S at the M&M'S Store
- Bowling at Splitsville or a movie at AMC
- Live music at one of three stages
- Level99: interactive challenge rooms for the whole crew, plus food and drinks
- Sip and stroll! Favorites: Wine Bar George, Dockside Margaritas, Jock Lindsey's Hangar Bar

GETTING THERE Bus from the resorts, or Uber and Lyft.

Explore Disney Springs
Tap to see shops, dining and entertainment

Enjoy Disney's BoardWalk

A quarter mile promenade of fun! Midway games, margaritas to go at BoardWalk Joe's, nightly entertainment like jugglers and magicians, surrey bikes, great treats, and bars.

Have Fun at Mini Golf!

Resort and ticket packages come with 4 mini golf vouchers. Take Uber or Lyft to Fantasia Gardens or Winter Summerland (our favorite!). Vouchers will be at the front desk, delivered to your room, or in your app under Tickets and Passes. Always check hours first!

Visit the Happiest Horses on Earth

Tri Circle D Ranch at Fort Wilderness is home to more than 90 horses! Visit Cinderella's ponies, take a wagon or pony ride, and hear the famous antique calliope. Gem mining and the Chip 'n' Dale Campfire Sing Along run select nights.

GETTING THERE Minnie Van or Uber, or the boat from Magic Kingdom to Fort Wilderness (not Wilderness Lodge). Check hours first!

Beaches and Cream Ice Cream

The ice cream window is open to all; dine in requires reservations.

GETTING THERE Take the Skyliner to EPCOT, or exit EPCOT by France and head right along Crescent Lake. The Beach Club is the blue building on the right.

A LITTLE EXTRA PIXIE DUST

Insider Tips

Our favorite little secrets for making your trip even more magical!

1 Rope Drop = Ride Like a VIP

Arrive 30 to 45 minutes before park opening (a.k.a. "rope drop"). This is the best time to ride the most popular attractions with minimal waits.

2 Use Mobile Order to Skip the Lines

Almost all quick service restaurants use Mobile Order in the My Disney Experience app. Order ahead and skip the long lines!

3 Catch the Kiss Goodnight

Few guests know about the Kiss Goodnight at Magic Kingdom: a short, touching light and music moment on Cinderella Castle about 30 minutes after park closing. It's Disney's gentle way of saying goodbye.

4 Magic Shots with PhotoPass

Ask PhotoPass photographers for "Magic Shots." They add surprise characters or effects to your photo, like Tinker Bell in your hands or Baby Groot on your shoulder. So much fun, and many guests don't know to ask!

5 Try the Kitchen Sink Challenge

At Beaches and Cream Soda Shop (Disney's Beach Club Resort), tackle the Kitchen Sink sundae, an epic dessert with every topping in the house. Messy, fun, and Instagram gold! (Reservations needed.)

6 Free Ice Water at Any Quick Service

Florida heat can be brutal! Ask for free ice water at any quick service location, so there's no need to keep buying bottled water.

7 Go on a Hidden Mickey Hunt

There are hundreds of Hidden Mickeys tucked throughout the parks and resorts. Turn it into a game for the kids, or a fun challenge for couples!

8 Free Pixie Dust at Sir Mickey's

Just behind Cinderella Castle at Magic Kingdom, ask a cast member at Sir Mickey's for a sprinkle of free pixie dust. It's magical, and kids (and adults) love it!

9 Resort Hop on the Monorail or Skyliner

Even without park tickets, you can explore the deluxe resorts by Monorail (Magic Kingdom resorts) or Skyliner (EPCOT and Hollywood Studios resorts). Beautiful views, dining, and photo ops galore!

10 Ask for Celebration Buttons

Stop by Guest Relations or your resort front desk for free buttons for birthdays, anniversaries, or first visits. Cast members often share extra magical wishes (or treats!) when they spot them.
